Overview

The West Bloomfield Township Public Library offers thousands of eBooks in the Kindle format as part of the Metro Net Online Lending Library. These eBook titles can be transferred directly to your Kindle or Kindle app using your Amazon account.

***Note:** There are different help guides available for other eBook devices. For downloading to a **Kindle Fire**, use the tablet or smartphone tip sheet.

Collection Basics:

- Thousands of eBooks are available in a variety of genres
- eBooks circulate for 21 days
- Up to 10 titles can be checked out at one time
- Checked out titles may be placed on hold
- Kindle eBooks checked out from the Library will remember your bookmarks and notes

What is required to transfer an eBook to a Kindle?

- A West Bloomfield Township Public Library card in good standing
- A registered Kindle or a device with a Kindle app
- A wifi connection or a USB cord
- An Amazon Kindle Account, go to: <https://kindle.amazon.com/> to register

***Note:** You will need to know your Amazon account email and password to check out eBooks

Steps for transferring an eBook to a Kindle or Kindle app

1. To find Library eBooks, go to the eLibrary page on the Library's website
2. Under the eBooks section, select **OverDrive** (Metro Net Online Library)
3. Before you begin searching for eBooks, **sign in with your Library card number** on the top right.
 - From the drop-down menu, select "West Bloomfield Public Library"
 - Sign in with your Library card number and last name.
4. To search for a specific author, title or subject, click in the search box on the top right and enter your search.
5. To browse by genre, select menu and choose from the genre options given
6. If the eBook is available for download, click on the cover and then select "**Borrow.**"
 - Holds may be placed on items that are checked out. When browsing the collection, if the eBook is currently available, the book icon on the top corner of the cover will be **darkened**; if checked out the icon will be **grayed** out.
7. Select the "**download**" dropdown button.

8. Choose the Kindle Book format.
9. Select "Confirm & Download."
10. Click "Get library book" when prompted by Amazon.com.
11. You must have an Amazon Kindle account and have registered your device before transferring.
12. Sign into your Amazon Kindle account.
13. Choose your device from the dropdown menu and click "Continue."
14. Your title will download the next time that you connect to wifi.
+If you are using the Kindle app, open the app when connected to wifi and go to "Archived Items," then open the archived folder and tap on the cover to download the title.

If the Kindle does not have wireless or if a title must be transferred via USB

1. A message will appear after you click on "Get library book" giving you the option to transfer the eBook via USB.
2. Click "Download Now."
3. Click "Save File" and remember where you saved the file.
4. Connect your Kindle to your computer using the USB cord.
5. Open "My Computer" on your PC; this is automatic on a Mac.
6. Double click "Kindle," then double click "Documents."
7. Drag and drop your book file into the documents of your Kindle.
8. Disconnect your Kindle.

To return a Kindle book

- When your loan period is up, you will get an email notification and a notice on your Kindle telling you that your loan has ended
- The book will no longer be available on your Kindle or Kindle app
- To return a book early go to "Manage Your Kindle" on Amazon, scroll under the *actions* button to the right of the title and select "Return this book"
- A return loan confirmation will appear, click on "Yes," then under the *actions* button to the right of the title select "Delete from library"
